Animal Welfare Inspection Form

Footnote 1

Notes:

Wooden bench with excessive chewing--repaint/reseal or discard, no longer easily sanitizable. One wire kennel in "nap room" with broken plastic flooring (exposing wire underneath)--discard broken floor and replace as presents hazard to dogs (could get paw stuck, etc).

Footnote 2

Notes:

Currently has 22 dogs in one daycare play area (other area is under construction) with one employee supervising. Maximum allowed is 12--10 dogs need to be taken out of daycare and placed in kennels at this time, and a rotation needs to be figured out so all dogs meant for daycare can participate without overcrowding the daycare area.
