### **Footnote 1**

**Notes:**

73F, 48% humidity.

### **Footnote 2**

**Notes:**

Emergency care contract with Ankeny Animal Health Clinic.

### **Footnote 3**

**Notes:**

Grooming facility is allowing dogs to commingle in grooming room when done grooming. 4 dogs on floor commingled at time of inspection--not in compliance with dog daycare rules: no pre-entry screening/temp assessment, no direct supervision, no nap time kennels, and grooming room unlikely to provide 75 sq ft per dog (did not completely measure at time of inspection). Facility currently has 5 kennels total--does not have adequate kennels for nap time or to provide primary enclosures for all dogs present. 5 kennels in facility are used for drying.

Facility must be compliant with dog daycare rules by 12/04/20 or stop commingling dogs. Will call for reinspection if ready sooner.
