### Footnote 1

#### Notes:

licensee requested info on Training and this led to comingle and group interaction requirements: Provided here is the requirements as discussed.

67.8(6) Operations. A facility licensed to be a dog day care shall comply with the following operational standards:

a. A dog, including a dog owned by the dog day care (***or comingled setting\****) owner or a dog day care employee, shall be admitted into a dog day care (\*) only after the day care has:

(1) Subjected the dog to a pre-entry screening process that adequately evaluates the temperament

of the dog, the dog's ability to interact with other dogs in a positive manner, and the dog's ability to interact with humans in a positive manner.

The screening shall include, but not be limited to, obtaining a social history of the dog from the dog's owner.

A written record of the testing shall be maintained by the facility for the time the dog is enrolled in the day care (\*).

The day care shall not admit any dog into the day care if the dog has a predisposition to be possessive of either the facility or a person owning or working in the facility. The day care shall not admit any dog that is known to have a predisposition of aggression toward other dogs or people.

(2) Obtained from the dog's owner written documentation of the medical history of the dog, including the dog's current vaccination status against distemper, parvo and rabies, unless exempted by

direct, written recommendation of the owner's veterinarian or exempted by Iowa Code section 351.42.

(3) Obtained written documentation that the dog has been spayed or neutered, if the dog is over six months of age.

(4) Obtained a written acknowledgment from the dog's owner that the owner ***understands the inherent risk of injury or disease when dogs owned by different people are allowed to commingle.*** This written acknowledgment shall be separately signed or initialed by the dog's owner.
